# Our Price Difference Guarantee

---

1. After you have purchased your AED from HeartSafe America, if you are offered, at a lower price, exactly the same new product by any other authorized dealer, HeartSafe America will send you a cheque for the amount of the price difference.
2. To take advantage of this unique price difference guarantee, simply provide HeartSafe America with a copy of a current, valid lower price written quote from an authorized dealer of the AED that you have already purchased from HeartSafe America.
3. This guarantee is valid for 30 days from the purchase date of your AED from HeartSafe America.
4. This offer is not valid for: used or refurbished units, damaged units, discontinued models, expired units, bundled promotions or AED-related products and services.
